- Engage in day-to-day operations by providing administrative support, scheduling, and handling communications.
- Develop an understanding of the rail industry and how it operates, focusing on delivering excellent customer experiences.
- Participate in regular team meetings and collaborate with colleagues to achieve business goals.
- Contribute fresh ideas to improve processes, enhance customer service, and optimize operational efficiency.

### Qualifications

- Currently enrolled in an undergraduate or postgraduate degree program (or have recently completed one) in a relevant field such as Business, Marketing, Engineering, Transport, or similar.
- Strong academic background with an eagerness to apply theoretical knowledge in a practical setting.

### Experience

- Previous internship or work experience in any professional setting is desirable but not essential.
- A genuine interest in the transportation or customer service sectors is a plus.
- Experience in using Microsoft Office Suite (Word, Excel, PowerPoint) and other digital tools would be beneficial.

### Skills

- Strong written and verbal communication skills.
- Excellent organizational and time-management abilities.
- Ability to work collaboratively in a team environment and independently.
