AXA Internship Students Investment Opportunities 2025 In London

Description

AXA is offering an exciting opportunity for talented and motivated students to gain hands-on experience in investment management. This internship will provide exposure to various aspects of investment analysis, portfolio management, and financial markets. You will have the chance to work alongside industry professionals and contribute to AXA's global investment strategies, providing valuable insights into the world of finance.

Responsibilities

As an Investment Intern at AXA, you will be involved in:

- Supporting the investment team with research and analysis on financial markets, sectors, and individual assets.
- Assisting in the preparation of investment presentations and reports.
- Analyzing performance data and contributing to the development of investment strategies.
- Monitoring market trends and helping to identify new investment opportunities.
- Participating in team meetings, discussions, and brainstorming sessions.
- Collaborating with other departments such as risk management, compliance, and operations to ensure smooth execution of investment strategies.
- Attending workshops and seminars to enhance your financial knowledge and professional development.

Qualifications

- Currently pursuing an undergraduate or master's degree in Finance, Economics, Business, Mathematics, or a related field.
- Strong academic record with a focus on finance, investments, or related subjects.
- Fluent in English (both written and spoken).
- A genuine interest in investments, financial markets, and the asset management industry.

Experience

- Previous experience in finance, investment, or related internships is a plus but not required.
- Exposure to financial analysis, research, or data-driven projects will be advantageous.
- Any experience using Excel, Bloomberg, or other financial tools would be beneficial.

Skills

- Analytical mindset with attention to detail.
