

Baruch College Internship And Schooling Program 2025 In US

Description

The Baruch College Internship and Schooling Program 2025 is designed to provide talented students with a dynamic learning opportunity, combining academic growth with hands-on work experience. This program aims to prepare participants for their future careers by offering them valuable exposure to real-world challenges and professional development. Interns will gain practical insights in their chosen fields while supporting Baruch College's mission of fostering academic excellence, leadership, and community engagement.

Responsibilities

- **Internship Assignments:** Work closely with faculty, staff, and professionals in a variety of departments and fields, including but not limited to business, finance, marketing, technology, and public administration.
- **Project Support:** Assist in the completion of departmental projects, providing valuable input, research, and execution support.
- **Collaborative Work:** Participate in team meetings, contribute to brainstorming sessions, and collaborate with peers and mentors to achieve project goals.
- **Skills Development:** Engage in training sessions, workshops, and seminars that build both professional and soft skills relevant to your career path.
- **Academic Engagement:** Attend school-related events, seminars, and lectures designed to complement your internship experience and further academic knowledge.
- **Networking:** Build relationships with faculty members, professionals, and peers to expand your professional network and gain insights into your field of interest.
- **Reporting and Documentation:** Provide regular updates on projects and tasks, maintaining organized records and reporting progress to program coordinators.

Qualifications

- Enrollment in a full-time undergraduate or graduate program at Baruch College.
- A strong interest in gaining professional experience related to your academic field of study.
- Must be committed to attending the program full-time (or as specified by the department).
- Good academic standing with a minimum GPA of 3.0 (subject to department-specific requirements).
- Proficiency in Microsoft Office Suite and/or other relevant software tools.

Experience

- No prior professional experience required; however, any relevant volunteer
