## Care Quality Commission Internship Students Program 2025 Apply Now

### Description

The Care Quality Commission (CQC) Internship Students Program 2025 offers an exciting opportunity for students to gain hands-on experience in health and social care regulation. As an intern, you will be part of a dynamic team, supporting CQC in its mission to ensure that care services are safe, effective, compassionate, and of high quality. This is an excellent opportunity to learn from experts in the field, contribute to meaningful projects, and enhance your professional development.

### Responsibilities

- Support the CQC in conducting inspections and reviews of health and social care services.
- Assist with research and data collection, analyzing information to support regulatory activities.
- Help prepare reports and documents that assess the quality and safety of care services.
- Participate in meetings and discussions, providing input on the development of policies and procedures.
- Support the preparation of communication materials, including newsletters, briefings, and presentations.
- Work alongside senior staff to help improve the quality of care and promote best practices within the health and social care sectors.
- Contribute to the creation and maintenance of databases, ensuring accurate and up-to-date information.
- Perform any additional tasks as required by the team and department.

### Qualifications

- Currently enrolled in an undergraduate or postgraduate program in a relevant field (e.g., Healthcare Management, Social Sciences, Public Health, Policy Studies, etc.).
- A passion for improving healthcare quality and understanding regulatory frameworks.
- Must have completed at least one year of study in their degree program by the time the internship begins.

### Experience

- Prior work experience is not mandatory, but previous internships, volunteer work, or academic projects related to healthcare, social care, or regulatory activities will be advantageous.
- Strong interest in healthcare services, policy, and regulatory processes.

### Skills

- Strong analytical skills, with the ability to work with data and generate reports.

### Hiring organization

Care Quality Commission Internship

### Employment Type
