CEFAS Internship Placements Programme 2025 Apply Online

Description

The CEFAS Internship Placements Programme 2025 offers an exciting opportunity for students and recent graduates to gain valuable hands-on experience in the field of environmental science, marine biology, and fisheries management. Interns will have the chance to work alongside expert scientists and contribute to projects that support marine and freshwater ecosystems, public health, and sustainable development. This is a perfect opportunity to develop skills, gain insight into a career with CEFAS, and be part of meaningful environmental work.

Responsibilities

- Assist with the collection, analysis, and interpretation of environmental data related to marine and freshwater ecosystems.
- Support research projects on sustainable fisheries, water quality monitoring, and marine conservation.
- Contribute to the preparation of technical reports, research papers, and presentations.
- Conduct literature reviews and assist in the development of scientific models and tools.
- Participate in fieldwork and laboratory-based activities, including sampling and data analysis.
- Support the team in outreach and education activities related to marine and environmental sciences.
- Collaborate with CEFAS scientists on various ongoing environmental projects.
- Provide administrative support for project coordination and stakeholder engagement

Qualifications

- Applicants must be enrolled in, or have recently completed, a relevant undergraduate or postgraduate degree in environmental science, marine biology, ecology, fisheries management, or a related field.
- Strong interest in environmental conservation, marine research, and sustainability.

Experience

- Previous experience in a laboratory, fieldwork, or research-based role is desirable, but not essential.
- Any volunteer or academic projects related to marine or environmental sciences would be an advantage.

Skills

- Strong analytical and problem-solving skills.
- Excellent written and verbal communication skills.
