## Civil Aviation Authority Internship Open Roles Programme 2025 In London

### Description

The Civil Aviation Authority (CAA) Internship Open Roles Programme 2025 offers a unique opportunity for motivated individuals to gain valuable experience in the aviation regulatory sector. As an intern, you will work alongside industry experts, contributing to the development and enforcement of civil aviation standards and ensuring the safety and security of the UK's airspace. This programme is designed to provide an insight into the operations of the CAA and prepare you for a successful career in aviation or regulatory affairs.

### Responsibilities

- **Support Aviation Safety Initiatives:** Assist in the review, analysis, and implementation of aviation safety regulations and policies.
- **Data Analysis & Reporting:** Collect, analyse, and interpret aviation-related data to assist in regulatory compliance and safety monitoring.
- **Regulatory Research:** Contribute to research projects aimed at improving aviation safety standards, risk management, and regulatory practices.
- **Stakeholder Engagement:** Assist in communication efforts with stakeholders, including airlines, aviation organisations, and governmental bodies.
- **Administrative Assistance:** Provide support in the preparation of documents, reports, and presentations for senior management.
- **Collaboration with Teams:** Work closely with different departments (such as safety, operations, and policy) to assist in projects and meet operational objectives.
- **Problem-Solving:** Contribute to finding solutions to challenges faced by the aviation industry and the CAA in maintaining safe and secure air travel.

### Qualifications

- A degree (or equivalent qualification) in a relevant field such as Aviation Management, Engineering, Law, Business, Public Policy, or a related discipline.
- For those still pursuing studies, candidates in the penultimate or final year of their degree program will also be considered.

### Experience

- Previous work experience or internships in aviation, transport, regulatory affairs, or a related field is desirable, but not essential.
- A demonstrated interest in the aviation industry, regulatory practices, or safety management is advantageous.

### Skills

- **Analytical Skills:** Strong ability to process and interpret complex data to draw meaningful conclusions.

### Hiring organization

Civil Aviation Authority Internship

### Employment Type

Intern

### Duration of employment

6 Months

### Industry

Airlines and Aviation

### Job Location

London, England, United Kingdom,, E1 8RU,, London,, England,, United Kingdom,

### Working Hours

8

### Base Salary

10

### Date posted

January 11, 2025

### Valid through

08.01.2026

- **Communication Skills:** Excellent written and verbal communication skills for preparing reports and engaging with internal and external stakeholders.
- **Attention to Detail:** Strong focus on accuracy, particularly when reviewing safety regulations and compliance documents.
- **Problem-Solving:** Ability to think critically and find innovative solutions to challenges in aviation safety and regulation.
- **Teamwork:** Capable of working collaboratively with diverse teams and departments.
- **IT Skills:** Proficiency in Microsoft Office Suite, particularly Excel and PowerPoint; familiarity with other software tools is a plus.

## Job Benefits

- **Competitive Salary:** A competitive stipend to support your work as an intern.
- **Professional Development:** Access to training, development workshops, and networking opportunities with aviation industry experts.
- **Exposure to the Industry:** Gain hands-on experience in the UK's civil aviation regulatory body and build your career in aviation or public policy.
- **Work Environment:** A dynamic, inclusive, and supportive work environment based in London.
- **Networking Opportunities:** Opportunities to meet and connect with professionals across various sectors within aviation, government, and policy-making.
- **Potential Career Progression:** Successful interns may be considered for future opportunities within the CAA or the wider aviation industry.

## How To Apply

To apply for the Civil Aviation Authority Internship Open Roles Programme 2025, please submit the following through the CAA Careers Portal:

1. **CV/Resume:** Detailing your educational background, relevant experience, and skills.
2. **Cover Letter:** Explaining your interest in the aviation sector and why you are applying for this internship.
3. **Application Form:** Complete the online application form, including personal details, academic qualifications, and any relevant achievements or experiences.
