Department For Environment, Food And Rural Affairs Internship 2025 Apply Online

Description

The Department for Environment, Food & Rural Affairs (DEFRA) is excited to offer a dynamic internship opportunity for 2025. As an intern at DEFRA, you will play a key role in supporting essential projects across environmental sustainability, food policy, and rural development. This internship provides a unique opportunity to work at the forefront of policy development and environmental solutions, enabling you to gain invaluable experience and develop the skills required for a career in public policy or environmental management.

Responsibilities

- Conduct research and data analysis to support policy development in areas such as climate change, sustainable agriculture, food security, and rural development.
- Assist in the drafting and editing of policy documents, reports, and presentations for internal and external audiences.
- Provide support for stakeholder engagement activities, including public consultations, surveys, and forums.
- Help organize and attend meetings, workshops, and events that contribute to the department's policy objectives.
- Assist in preparing briefings and updates for senior officials and government ministers.
- Contribute to the development and review of DEFRA's public communications, including social media and website content.
- Collaborate with different teams within DEFRA and across government departments on projects and initiatives.

Qualifications

- Currently studying or recently graduated with a degree in environmental science, food policy, rural studies, public policy, or a related field.
- A strong academic background, particularly in areas relevant to DEFRA's mission.

Experience

- Previous experience in government, environmental policy, sustainability, or a related field is desirable, but not required.
- Experience in conducting research, policy analysis, or preparing reports is an advantage.

Skills

- Strong analytical and problem-solving skills, with the ability to understand and synthesize complex information.
- Excellent written and verbal communication skills, with an ability to present ideas clearly and concisely.

Hiring organization
