## Genesee And Wyoming Internship Accounting 2025 Application

### Description

The Genesee & Wyoming Accounting Internship for 2025 provides undergraduate students with the opportunity to gain hands-on experience in financial reporting, analysis, and general accounting within a dynamic and growing transportation and logistics company. Interns will work alongside experienced professionals in a fast-paced, real-world environment, helping to support daily accounting functions and contributing to key financial initiatives. This internship is an excellent opportunity for students interested in pursuing a career in accounting, finance, or corporate operations.

### Responsibilities

As an Accounting Intern at Genesee & Wyoming, your key responsibilities will include:

- Assisting with the preparation and maintenance of financial reports, statements, and records.
- Supporting the reconciliation of accounts and resolving discrepancies in financial data.
- Helping with journal entries, month-end close processes, and general ledger updates.
- Assisting with the preparation of financial analyses and reports to support management decision-making.
- Participating in the development and improvement of financial reporting processes.
- Performing data entry and managing accounting documents and records in a timely and accurate manner.
- Assisting in accounts payable and receivable functions, ensuring timely processing of invoices and payments.
- Collaborating with other departments to gather financial data for reporting and budgeting purposes.
- Assisting in the preparation of tax filings and audits.
- Helping with special accounting projects as assigned by senior accounting staff or management.

### Qualifications

- Current enrollment in an undergraduate program in Accounting, Finance, or a related field at an accredited university or college.
- Completion of at least two years of undergraduate coursework in accounting or finance.
- A minimum GPA of 3.0 or higher.
- U.S. citizenship or legal authorization to work in the U.S.
- Availability for a full-time, summer internship (approximately 40 hours per week).
