

George Best Belfast City Airport Internship Opportunities 2025 Apply Online

Description

The George Best Belfast City Airport Internship Programme 2025 offers a unique opportunity for students and recent graduates to gain hands-on experience in the aviation and airport industry. As an intern, you will work alongside professionals from various departments, learning about airport operations, customer service, aviation management, and business development. This program is designed to help you build practical skills and expand your professional network while contributing to the ongoing success of one of Northern Ireland's leading airports.

Responsibilities

- **Operational Support:** Assist in the daily operations of the airport, including passenger handling, security, check-in processes, and flight operations.
- **Customer Service Excellence:** Help improve customer service experiences by working directly with passengers, addressing inquiries, and supporting frontline staff.
- **Project Assistance:** Contribute to key airport projects across departments such as marketing, business development, operations, and sustainability.
- **Data Collection and Reporting:** Assist in the collection, analysis, and reporting of data related to airport performance, customer satisfaction, and operational efficiency.
- **Team Collaboration:** Work with a diverse team of professionals, contributing to brainstorming sessions, meetings, and project development.
- **Training and Development:** Participate in training workshops and development programs to enhance your understanding of airport operations and the aviation industry.

Qualifications

- **Current Enrollment or Recent Graduate:** You should be currently enrolled in or have recently graduated from a relevant degree program (Aviation Management, Business, Hospitality, Marketing, or similar).
- **Academic Performance:** A strong academic record with at least a 2:1 in your relevant field of study.

Experience

- **Previous Internship or Part-time Work (Desirable):** Any prior experience in customer service, business operations, or aviation is a plus, though not required.
- **Interest in Aviation and Travel:** A genuine interest in the aviation sector, airport operations, or travel is highly beneficial.

Skills

- **Communication Skills:** Strong verbal and written communication skills to interact with customers, team members, and management.
