Jacksonville Airport Internship Graduate Programme 2025

Description

The Jacksonville Airport Internship Graduate Programme 2025 is designed for recent graduates who are eager to develop their skills and knowledge in airport operations, transportation logistics, and airport management. This comprehensive program offers hands-on experience within a dynamic and fast-paced environment, enabling interns to gain insights into the day-to-day operations of a major airport. Interns will work closely with experienced professionals and contribute to various functions that support the efficient operation of Jacksonville International Airport (JAX).

Responsibilities

As an intern in the Graduate Programme, you will be involved in the following tasks:

- Assist with airport operations, including passenger services, terminal management, and ground operations.
- Support departments involved in airport security, safety, and regulatory compliance.
- Contribute to the development and implementation of operational strategies to improve airport efficiency.
- Assist with customer service initiatives, providing valuable insights into the passenger experience.
- Help analyze data and prepare reports related to airport traffic, passenger flow, and operational performance.
- Participate in project management tasks related to airport development, maintenance, and infrastructure improvements.
- Collaborate with cross-functional teams, including security, maintenance, finance, and customer relations.
- Gain exposure to sustainability and environmental initiatives aimed at reducing the airport's ecological footprint.
- Attend meetings, training sessions, and workshops to enhance your professional development
