Miami International Airport Internship Opportunities 2025 Apply Now

Description

Miami International Airport (MIA) is offering exciting internship opportunities for students in 2025 to gain hands-on experience in airport operations, aviation, logistics, customer service, and other key areas. This program is designed to provide interns with exposure to the dynamic, fast-paced environment of one of the world's busiest airports, preparing them for careers in the aviation industry. Interns will have the opportunity to work with experienced professionals, engage in meaningful projects, and build valuable skills that will contribute to their career growth.

Responsibilities

Interns at MIA will be involved in a variety of tasks, including but not limited to:

- Assisting in daily operations and administrative tasks in various airport departments (e.g., operations, customer service, aviation security, marketing, logistics, finance).
- Supporting projects related to airport operations, logistics, or customer service enhancements.
- Conducting research and providing insights on airport processes and industry trends.
- Helping with data analysis, reporting, and presentation creation for internal stakeholders.
- Participating in meetings, workshops, and team collaborations.
- Assisting with event planning, communications, and community outreach programs.
- Observing and learning about airport safety, security, and regulatory standards.
- Shadowing professionals in different departments to gain a comprehensive understanding of airport management.
- Providing support for operational tasks like coordinating schedules, inventory management, or tracking shipments.
- Attending training sessions designed to develop professional and technical skills related to the aviation industry.

Qualifications

- Current enrollment in an undergraduate or graduate program at an accredited university or college.
- Completion of at least one academic year of study (undergraduate) or equivalent academic progress.
- Strong academic performance, with a minimum GPA of 2.8 (undergraduate) or 3.0 (graduate).
- Availability for a minimum of 10-15 hours per week for part-time internships, or full-time during summer internships.
