Newcastle International Airport Summer Internship 2025 In Roles

Description

The Newcastle International Airport Summer Internship 2025 offers a unique opportunity for motivated and ambitious individuals to gain hands-on experience in the aviation industry. Interns will work across various departments, contributing to the operational efficiency and customer service excellence at the airport. This internship is designed for students or recent graduates eager to learn about airport management, customer service, logistics, security, and other critical aspects of airport operations.

Responsibilities

- Assist in daily operational tasks across multiple airport departments, including but not limited to operations, customer service, security, logistics, and facilities management.
- Support the team in maintaining high standards of safety, security, and customer satisfaction.
- Participate in projects that aim to improve airport processes, procedures, and services.
- Conduct research and data analysis for ongoing improvement projects.
- Assist with customer queries, offering guidance, and helping to create a positive passenger experience.
- Participate in team meetings and provide insights from the perspective of an intern.
- Support the preparation and delivery of reports and presentations.
- Assist with airport events and initiatives, including sustainability projects and seasonal promotions.
- Work with various stakeholders, including airlines, security, and ground staff, to ensure smooth operations.

Qualifications

- Currently pursuing or recently graduated with a degree in a relevant field (e.g., Business, Aviation Management, Logistics, Hospitality, Tourism, or similar).
- Strong academic background with a keen interest in airport operations and the aviation industry.

Experience

- Previous experience in customer service, retail, or hospitality is desirable but not essential.
- Any relevant coursework, projects, or volunteer work in the aviation or logistics sectors is an advantage.
- No prior professional experience required, but enthusiasm and willingness to learn are essential.
