Norfolk County Council Internship Program For Supported 2025

Description

The Norfolk County Council Internship Program for Supported 2025 offers an exciting opportunity for individuals who require additional support in gaining experience within a public service setting. The internship is designed to provide valuable hands-on experience in a range of council services, with the aim of enhancing skills, building confidence, and developing professional networks. Interns will work alongside experienced professionals, contributing to projects and initiatives that positively impact the local community. This program is an ideal starting point for those looking to develop a career in public services or local government.

Responsibilities

- Provide general administrative support across various teams, including data entry, filing, and correspondence management.
- Assist in the preparation and delivery of community-based services, events, and projects.
- Support the development and implementation of policies, programs, and initiatives that aim to improve local services and outcomes.
- Conduct research and assist in preparing reports and presentations for senior staff or local authorities.
- Help organize meetings, including scheduling, note-taking, and following up on actions.
- Participate in training sessions and workshops to build personal and professional skills.
- Support colleagues in day-to-day tasks while adhering to council policies and procedures, including confidentiality, safeguarding, and data protection.
- Collaborate with other interns and staff members to contribute to various team projects.
- Provide excellent customer service, responding to queries from members of the public where appropriate, and ensuring a positive experience.

Qualifications

- Must be 18 years or older by the start of the program.
- No formal educational qualifications are required, but a strong interest in working in local government or public services is essential.
- Ideally, applicants should have completed GCSEs or equivalent qualifications in English and Mathematics.
- A willingness to learn and develop within a supportive and structured environment.

Experience

- Previous work experience is not required but will be considered an advantage.
- Any experience in volunteering, part-time roles, or community-based
